**A BILL**

To establish the Valle Vidal National Preserve in the State of New Mexico.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Valle Vidal Preserva-  
5 tion Act.”.

6 **SEC. 2. FINDINGS.**

7 Congress finds that—

- 8 (1) the Valle Vidal Unit of the Carson National  
9 Forest comprises approximately 100,000 acres of  
10 some of the finest scenic, wildlife, and outdoor rec-  
11 reational resources in New Mexico;

1           (2) the Valle Vidal provides a home for a spec-  
2           tacular array of game and nongame wildlife, in a  
3           setting that uniquely allows for close public inter-  
4           action;

5           (3) the Valle Vidal provides an unparalleled op-  
6           portunity to hunt world-class trophy elk among New  
7           Mexico's largest herd, drawing hunters from  
8           throughout the State, region, and the United States;

9           (4) the Valle Vidal is an important component  
10          of efforts to recover the native Rio Grande cutthroat  
11          trout and provides miles of fish habitat prized by an-  
12          glers;

13          (5) the open meadows and sweeping vistas of  
14          the Valle Vidal are extraordinary for the region, al-  
15          lowing visitors to take in the expansive spaces filled  
16          with tall grass and thick patches of pine, spruce,  
17          and aspen;

18          (6) the Valle Vidal comprises the headwaters of  
19          the Rio Costilla in the Rio Grande watershed, and  
20          numerous streams in the Canadian River drainage,  
21          making it an important source of fresh water for  
22          human and wildlife needs in New Mexico;

23          (7) the Valle Vidal is an important part of New  
24          Mexico's ranching heritage and the local ranchers  
25          have worked cooperatively with the Forest Service to

1 establish a grazing program within the Valle Vidal  
2 that meets the needs of the ranchers, the wildlife,  
3 and visitors with notable sensitivity to protection of  
4 the natural resources;

5 (8) the wilds of the Valle Vidal provide an out-  
6 standing backcountry experience for enthusiasts, in-  
7 cluding the Scouts of the nearby Philmont Scout  
8 Ranch; and

9 (9) for these and other reasons, the Valle Vidal  
10 is treasured as a special place for New Mexicans jus-  
11 tifying enhanced protection so future generations  
12 may enjoy the Valle Vidal.
